Hello Parents,

Here's the latest from the 3rd-5th grade classroom.

**Musical:** This week has been very much about musical, musical, musical practice! The students are doing a wonderful job and can't wait to share it with all of you. Here's a quick run-down of the times for musical events:

### ***Friday:***

*9:30a.m.*— Final Dress Rehearsal (You are welcome to watch this.)

*6:30p.m.*— Students Arrive, Doors Open for Seating

*7:00p.m.*— "Rocky of the Rainforest" Musical Begins

### ***Saturday:***

*5:40p.m.*— Doors open for dinner. (Students with parents attending the dinner may be dropped off at 5:30 in the 4K classroom.)

*6:00p.m.*— Dinner

*7:00p.m.*— "Rocky of the Rainforest" Musical Performance

**3rd-4th Science**— In science class, we have been learning all about weather including the different types of weather and what causes weather changes. To help us with this, we have created a few experiments. We created a class barometer we have been using daily to check the air pressure. Also, each student has created an anemometer we have been using each day to measure the wind speed! The students have been having a blast with these hands-on experiments.

**Calendars:** The April memory calendars are going home today. Also, March was the last month for Book-It calendars, so if these are complete students may return them to school for their final pizza certificates.

**Next Week:** Next week, we will be doing achievement testing. Getting a full nights sleep and eating a balanced breakfast are both great ways to help students prepare for these. Due to the short weeks the next two weeks, we will not be having spelling tests these two weeks. The next newsletter will be in two weeks with the next spelling list going home at that point.

Have a blessed next few weeks as you follow our Lord on his journey to the cross and to His glorious resurrection. Happy Easter!

In Christ,  
Miss Bernau
